

City of Cleveland
Mayor Frank G. Jackson

SEEKING PUBLIC INPUT ON PROPOSAL FOR A U.S. EPA GRANT

The City of Cleveland is submitting to the United States Environmental Protection Agency a proposal for a Brownfield Multi-Purpose Pilot Grant in the amount of up to \$400,000. The funding will go towards the assessment and cleanup of the former TRW Automotive site located at 2224 Clarkwood Road.

The City is interested in the public's input before submitting the final proposal and is accepting all comments on the draft proposal. Those who are interested in submitting comments may review a draft of the proposal during normal business hours between January 27, 2012 and February 3, 2012 at the following location:

- Department of Economic Development, Cleveland City Hall, Room 210,

Comments should be sent to David Lukas, Department of Economic Development, 601 Lakeside Avenue, Room 210 or emailed at dlukas@city.cleveland.oh.us no later than Monday, February 6, 2012.

A public meeting will be held on **Monday, February 6, 2012** at 5PM at Cleveland City Hall at 601 Lakeside Avenue in Room 210. The final proposal must be received by USEPA on February 10, 2012. USEPA plans to announce grant awards in the Fall or Winter of 2012.
