CLEVELAND – Dominion Energy Ohio’s gas pipeline infrastructure improvement project is scheduled to begin on Monday, April 30, 2018 and includes work on the following street:

- Brownell Court – From East 14th Street to East 17th Street.

The project scope is to remove the existing low pressure steel mainline that is in the road to allow for construction of the new sub-grade structural retaining wall needed for the new 34 story high-rise building under construction at East 17th Street and Brownell Court.

Brownell Court between East 14th Street and East 17th Street is currently closed due to the construction of the new building. The work will take place Monday through Friday from 7 a.m. to 5 p.m.

This project is scheduled for completion in May 2018.
