Pipeline Infrastructure Improvements Update
Thursday, August 31, 2017, Dominion East Ohio Gas Pipeline Infrastructure
Replacement Project – PIR 2700
East 84th & Quincy Avenue
(City of Cleveland Ward 6)

Expect additional traffic notices as work progresses

CLEVELAND – Pipeline infrastructure improvements begin on Thursday, August 31, 2017 and include work on the following streets:

- E. 84th Street – East & west sides from Quincy Avenue to Woodland Avenue.
- E. 86th Street – East & west sides from Nevada Avenue to Woodland Avenue
- Woodland Avenue – North side from E. 84th Street to E. 86th Street

The project scope is to replace the old steel mainline with new plastic mainline in the sidewalk area. One lane of traffic will be maintained at all times on two lane side streets with traffic control personnel in the work zone(s) directing traffic. On Woodland Avenue, the north curb lane will be occupied. At least one lane of traffic flow in each direction along Woodland Avenue will be maintained. A Law Enforcement Officer (L.E.O.) will be present at all signalized intersections. Access to adjacent driveways will be maintained throughout construction and the work will take place Monday through Friday from 7:00 a.m. to 5:00 p.m.

This project is scheduled for completion in the December of 2017.

Should there be any questions, contact Dennis Scheid - Hill International at 216-701-2319.

***Editor's Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*
